Thank you for your interest in a KeelMtn Pembroke or Cardigan Welsh Corgi. As you might imagine, placing the puppies we have taken such care to bring into this world and raised so carefully to be a healthy and happy dog is of great importance to us. The questions we ask are not meant to be intrusive or judgmental. They are merely to help us determine if a KeelMtn Corgi is right for you and your family. This questionnaire is but an initial step to lifelong relationship between and your dog.

Please be aware that all KeelMtn Corgis are sold on an AKC Limited Registration, meaning they already are or will be altered before their AKC and UKC registration papers are released. Any show potential puppies are generally retained by us or possibly co-owned by someone we know and have an established relationship with. The difference between pet and show potential puppies is usually something as small as a dot of white in the "wrong" place. Their health and temperament are no different. The guarantee against inheritable disease is the same. A "pet" puppy is not a LESSER puppy.

Please answer questions fully and feel free to add additional pages if needed.

PUPPY QUESTIONNAIRE
